# About Us

SKLD Relief is Nigeria's leading provider of relief products and solutions, serving both local and international organizations involved in rural development, emergency response, and crisis management. SKLD Relief was originally operating under the name 'School Kits Limited', an educational supplies company established in the year 2000 in Lagos, Nigeria but we have since expanded our offerings.

As a female-founded company, we are driven by a passion to make a positive impact, and our aim is to play a critical role in addressing the world's most daunting challenges.

Our management team comprises professionals from various fields including Engineering, Economics, Finance, Supply Management, Logistics etc. who are dedicated to operating with very high ethical standards.

We ensure that our supply chain does not engage in child labour and are environmentally responsible

## Our Vision

“

**To be the leading trading company in Africa creating value across multi-sectors**

”

We promote transparency by providing relevant information for review that may be required about our sourcing methods, and delivery such as our audited financial records and any other documents.

## Our Philosophy

Creating value that delivers the highest impact using the most efficient means to deliver critical relief products and services. This drives our product design, material preferences, and delivery strategies.

# Value Proposition

## Service Orientation

---

Our commitment to exceptional service stems from the recognition that every project is unique and requires a tailored approach. Our skilled relationship managers possess the necessary training and resources to accurately identify and fulfill the individual requirements of each client.

## Quality

---

At our core, we prioritize quality in all our endeavors. In executing projects, we thoroughly evaluate the intended usage of each material request through comprehensive physical and technical analysis to ensure that our solutions fully meet our clients' expectations.

## Location

---

Our headquarters is located in Lagos, Nigeria, with a regional office in Maiduguri. Having our office in Lagos provides us with the advantage of convenient shipment of consignments in and out to countries both locally and internationally.

## Storage

---

We operate our sorting and packaging operations from a spacious 1200 square meter facility, with access to massive storage facilities in close proximity to our hub in Lagos. This arrangement enables us to effectively handle large-scale orders with ease.

# Value Proposition

## Ethical Multi-Sourcing

---

Throughout the years, we have formed strategic partnerships with suppliers in over 10 countries around the world, including Europe, North America, Asia, the Middle East, and Southern Africa. We take great care to ensure that our sources adhere to ethical standards, including the absence of human rights violations and the use of child labor.

## Logistics

---

We work with a diverse range of logistics partners, both local and international, with a footprint across Nigeria and Africa. Additionally, we have established relationships with shipping partners capable of handling international consignments worldwide

## Turnaround

---

We are committed to finding practical ways to expedite deliveries as always required in emergency response situations. To this end, we keep a stock of high-demand supplies on hand to efficiently fulfill urgent purchase orders.

A group of smiling children, likely in a school setting, are holding up various food supplies. They are holding up plastic cups in shades of green and blue, some containing rice. Some children are also holding up bags of rice. The children are of various ages and are all smiling broadly. The background is dark, making the children and their supplies stand out.

“

The destiny of world civilization depends upon providing a decent standard of living for all mankind.
